DRAFT PERFORMANCE BANDS

Primary Industries

The typical examination performance in this band:

| Band 6 | • Consistently and correctly uses precise industry and enterprise terminology to communicate in a manner appropriate to the audience and situation in the workplace.  
• Demonstrates a thorough understanding and application of the performance required in a range of work tasks, plant and equipment.  
• Applies an in-depth knowledge and understanding relevant to specific competencies.  
• Consistently and reliably applies the skills required to perform primary industry operations.  
• Demonstrates a comprehensive understanding of legislation, regulations and practices as they apply to primary industries.  
• Exhibits a comprehensive understanding of the organisation of work operations, the sequencing of procedures and their importance in primary industries.  
• Demonstrates critical judgement and sound reasoning to select, organise, synthesise and evaluate relevant information from a variety of sources. |
|---|---|
| Band 5 | • Communicates, using specific industry terminology, in a manner appropriate to the audience and situation in the workplace.  
• Demonstrates a detailed understanding and application of the performance required in a range of work tasks, plant and equipment.  
• Demonstrates a detailed knowledge and understanding relevant to specific competencies.  
• Evaluates all elements of specific tasks within primary industries.  
• Demonstrates a thorough understanding of legislation, regulations and practices as they apply to primary industries.  
• Exhibits a thorough understanding of the organisation of work operations, the sequencing of procedures and their importance in primary industries.  
• Demonstrates accomplished judgement and reasoning to select, organise and evaluate relevant information from a variety of sources. |
| Band 4 | • Communicates using appropriate industry and enterprise terminology.  
• Demonstrates a sound understanding and application of the performance required in a range of work tasks, plant and equipment.  
• Demonstrates a sound knowledge and understanding relevant to specific competencies.  
• Evaluates elements of specific tasks within primary industries.  
• Demonstrates a general understanding of legislation, regulations and practices as they apply to primary industries.  
• Exhibits a general understanding of the organisation of work operations, the sequencing of procedures and their importance in primary industries.  
• Frames written responses in a descriptive manner. |
| Band 3 | • Communicates using basic industry and enterprise terminology.  
• Demonstrates an understanding of the performance required in a range of work tasks, plant and equipment.  
• Demonstrates a basic knowledge and understanding relevant to specific competencies.  
• Demonstrates a limited ability to analyse and perform specific tasks.  
• Demonstrates a basic understanding of legislation, regulations and practices as they apply to primary industries.  
• Exhibits a general understanding of the organisation of work operations and the sequencing of procedures.  
• Frames written responses using unsupported generalisations. |
| Band 2 | • Communicates using non-industry specific terms.  
• Demonstrates a superficial understanding of the performance required in a range of work tasks, plant and equipment.  
• Demonstrates a limited knowledge and understanding relevant to specific competencies.  
• Demonstrates a limited ability to perform simple tasks.  
• Demonstrates an elementary understanding of legislation, regulations and practices as they apply to primary industries.  
• Exhibits limited understanding of the organisation of work operations and the sequencing of procedures.  
• Frames written responses using unsupported generalisations and irrelevant material. |
