10 Course Requirements

The course requirements are:

- a Preliminary and HSC course, each of 120 hours indicative time.
- exclusions exist between Industrial Technology and some Vocational Education and Training Curriculum Frameworks, and some Content Endorsed Courses. For details of these exclusions refer to the current ACE Manual.

The Preliminary course, of 120 indicative hours, consists of project work and an industry study that provide a broad range of skills and knowledge related to the focus area chosen and an introduction to industrial processes and practices.

The HSC course, of 120 indicative hours, consists of the development of a major project and industry study.

Students choose to study ONE of EIGHT focus areas. The same area is to be studied in both the Preliminary and HSC courses. The focus areas are:

- Automotive Industries
- Building and Construction Industries
- Electronics Industries
- Graphics Industries
- Metal and Engineering Industries
- Multimedia Industries
- Plastics Industries
- Timber Products and Furniture Industries.

Both the Preliminary and HSC courses are organised around four sections:

A. Industry study
B. Design and management
C. Workplace communication
D. Industry-specific content and production.
