Candidate's
Notes

- (c) 为什么说保护野生生物对环境生态很重要?
為什麼說保護野生生物對環境生態很重要?

2

Why is it important for the environment that we protect wild animals and plants?

Because every animal have their right of living and we cannot take their chance to live. There are 500 kinds of animals and 30,000 kinds of plants. If one of them die, it might affect the other 20 kinds of living animals or plant. It is very important for the environment.

- (d) 演说者运用了哪些语言技巧来打动听众?
演說者運用了哪些語言技巧來打動聽眾?

5

What language techniques has the speaker utilised to engage her audience?

The speaker told us about the importance of the earth. Moreover, we have the responsibility to protect our environment and give a good living condition for our children. The speaker also told us we are playing the very important role in this world now. She made us to think ~~that~~ it is ~~an~~ important and necessary ~~thing~~ to protect our world. Therefore, the audience would start the mission to protect the environment because they think this is their business.
