

## Section I — Listening and Responding

30 marks

This section should take approximately 40 minutes

### Part A – 20 marks

#### Attempt Questions 1–4

You will hear FOUR texts. Each text will be read twice. The question for each text will be read once before the first reading of the text. There will be a pause after the first reading in which you may make notes. However, you may make notes at any time. You will be given adequate time after the second reading to complete your answer. Answer the questions in ENGLISH in the spaces provided. In the case of multiple-choice questions, tick the box that corresponds to the correct response.

In your answers you will be assessed on how well you demonstrate:

- capacity to understand general and specific aspects of texts by identifying and analysing information
- capacity to convey the information accurately and appropriately

(c) Analyse the effectiveness of the speaker's tone and language in conveying his point of view.

5

The speaker is using a serious, concerned & objective tone of language to convey his message. He uses imagery of photoframes of animals as a view of what may happen if animals are distinct. The speaker is also using facts and blames 'us' (human beings) for all this pollution and lack of water. Towards the end his voice gets sad as he is really concerned & wishes listeners did something about it.
